The purpose of this policy is to ensure uniformity in application of the Housing Authority's pet policy, and to ensure the welfare of all tenants and the sanitation of properties. This policy does not cover service/support animals for the disabled or Public Housing designated for the elderly or disabled.

1.2 Registration

All animals must be approved by the Housing Authority and registered with the Housing Authority. Within ten days of getting an animal a tenant must submit the following documentation to the Housing Authority:

1. Completed application.
2. A copy of the animal's license or certification.
3. Completed veterinarian's statement.
4. Payment of fee and deposit.

1.3 Non-refundable Fee

A non-refundable fee of \$50 will be charged to the tenant at the time of application submittal to cover the extra costs to the Housing Authority. This is a separate charge from the pet deposit.

1.4 Pet Deposit

A pet deposit of \$250 will be collected from the tenant at the time of application. At the time of move-out, any damages to the unit, building, grounds, flooring, walls, trim, finish, tiles, carpeting, etc. caused by the pet will be the full responsibility of the tenant, and will be collected from the pet deposit. If the pet deposit is not adequate to cover the cost of the damages caused by the pet, the excess amount will be charged to the tenant. An itemized list of charges and any refund due the tenant will be sent within 60 days of the tenant's move-out date, provided the tenant has given proper written notice to the Housing Authority.

1.5 Sick or Injured Animals

No sick or injured animal will be accepted for occupancy without consultation and written acknowledgement of a veterinarian as to the condition of the animal's ability to live in an apartment situation. Denial of the animal regardless of documentation and consultation is the prerogative of management. Admitted animals that suffer illnesses or injury must be immediately taken for veterinarian care at the tenant's expense.

1.6 Size

Pets shall weigh no more than 50 pounds and shall be no more than 24 inches at the shoulder at the time of maturity.

1.7 Number Limitations

No more than one animal is permitted in a unit, with the exception of birds, fish, or other small animals kept exclusively in a cage.

1.11 Unit Care and Inspections

The tenant agrees to maintain the unit in a sanitary and odorless manner. The owner or keeper of any animal shall be responsible for the immediate removal of any feces deposited by such animal. No alterations may be made to the premises. The tenant agrees that the Housing Authority has the right to inspect the unit as frequently as deemed necessary. The Housing Authority will abide by the terms of the lease regarding proper notice to the tenant.

1.12 Tenant's Absence

The tenant agrees that if for any reason the animal is left unattended for more than twenty-four hours, the tenant will provide information on how the animal should be cared for. The Housing Authority may call the designated alternative care provider if the tenant is unable to do so, and that person will then be permitted to enter the premises and be required to remove the animal. If the alternative care provider cannot be reached, the animal may be placed in an appropriate boarding facility with all fees and costs borne by the tenant. Within five days of such an emergency, the tenant, his agent, family or estate must make arrangements with the holder of said animal as to its disposition and shall be responsible for all obligations, financial and otherwise. The tenant absolves the Housing Authority and its agents of any or all liability, financial or otherwise, for the actions taken on behalf of the tenant, or the well being of the animal. In the event the tenant can no longer care for the animal due to health deterioration, the tenant agrees to remove the animal from the premises.

1.13 Animal Behavior and Violation of Policy

Upon receipt of a verified animal complaint, the Housing Authority will issue a written warning to the tenant. Three verified complaints within any twelve-month period shall constitute a violation of this Pet Policy and the tenant may be required to remove the animal from the premises. The tenant must certify that the animal is no longer on the premises and will not return in the future. Misrepresentation of this certification or refusal to remove the animal will be grounds for eviction of the tenant. The Housing Authority reserves the right to act immediately in animal removal situations deemed an emergency.

1.14 Unauthorized Pets

If the Housing Authority discovers that a tenant has one or more pets which have not been registered and approved as required in this policy, the tenant will be notified to remove the pet(s) from the unit and will forfeit the right to have a pet in the future on Housing Authority property.

Resident Advisory Committee Comments

**Resident Advisory Committee
Minutes
November 14, 2000**

The Resident Advisory Committee met to review the Agency Plans prior to submittal to HUD.

Present: Stephanie Tupper, Section 8
 Monica Clark, Resident Commissioner FCHA
 Paula Cardona, Resident Commissioner WHA
 Julie Love, Executive Director

Introductions were made. Several residents who had expressed interest did not attend. The committee suggested that reminder calls be made the day prior to the next meeting.

Ms. Love gave an overview of how housing authorities interact with HUD, Congress, and local government. She then gave a presentation on the programs operated by the Fort Collins Housing Authority.

Ms. Love explained the history of the Agency Plan and the HUD requirements for resident involvement. She also talked about ways in which the resident committee can have input on other agency operations such as PHDEP plans, capital five-year plans, and administrative plans. She provided a copy of the new lease that is being submitted for 30-day resident review.

The Committee had several suggestions, which FCHA will try to incorporate into day to day operations, however no change to the Agency Plan is necessary:

Residents may be good Hearing Officers for the grievance process.

Continue having staff set up neighborhood mediation and encourage resident leadership.

Garbage disposals would decrease the amount of garbage left out for pick up.

Air conditioning for seniors is important.

Review the role and effectiveness of resident managers.

Web-site development.

Post information such as the availability of the new lease for review in the newsletter.

Distribute newsletter to all FCHA managed properties.

Work on ways to help families transition to no assistance and have Housing Coordinators disseminate information at recertification. (Information such as Neighbor to Neighbor's First Time Homebuyers programs.)

The Committee would like to get a core group of approximately five members to meet on a quarterly basis. Ms. Love will establish a schedule for 2001 now.
